Choose Dedicated Vision Cover to Ensure the Health of Your Eyes and Savings for Your Wallet

A person's eyes say a lot. Did you know that your eye care provider can tell a lot about your health simply by looking into your eyes? An eye examination can reveal vision problems and signs of health conditions such as high blood pressure, diabetes, and high cholesterol.

Most UK working adults get no help from the health service with the costs of essential eye care or eyewear. When you choose VSP you'll have dedicated vision cover, making it easy to get the annual examinations you and your family need and fashionable eyewear you'll love.

Here's some information about the VSP Vision Care plan on offer:

Allowance Amount per Year for Each Person Covered

- €XXX allowance for eye examination and/or materials per person covered per year.

Plan Highlights

- Eye examination covered in full up to allowance.
- Frames and lenses – choose glass or plastic lenses. Single vision, bifocal, or varifocal lenses covered in full up to the allowance. Includes VDU, safety and driving eyewear.
- Allowances may be used for prescription sunglasses or prescription sports eyewear.
- Allowances may be used toward prescription contact lenses.
- Allowances may be used toward laser vision surgery.
- Out-of-network coverage includes Europe
- Receive 20% discounts on exams and materials at every VSP provider location making the allowance go further.
