Your vision and wellness come first.

You're unique—and so is your VSP cover. As a member, you'll experience personalised attention, patient-centred care, and great eyewear options to fit any budget.

It's easy to use your VSP cover.

- Visit vsp-uk.co.uk when it's convenient for you to register online, view your cover, and find a VSP optician.
- If you choose an optician not in the network, use our website to quickly and easily submit your claim for reimbursement via electronic funds transfer.
- At your appointment, tell your optician you have VSP. There's no ID card needed.

That's it! There are no claim forms to complete when you see a VSP optician.
